

Patient Safety Program

LEARNING UPDATE

A Summary of Patient Safety Learning Activities

About the Learning Update

The Learning Update is a schedule of upcoming DoD PSP and other patient safety activities, tools and resources to help you increase your patient safety knowledge and skills.

Please note that information about patient safety activities is updated continuously. Make sure to check out the [eBulletin](#) and the [Calendar of Events](#) section on the DoD PSP website to get the latest details and confirm information provided here.

PATIENT SAFETY On-Demand eLearning Courses

Instructor-led or self-paced online learning sessions focused on a specific product

On-Demand eLearning: Patient Safety Reporting System v1.1 eLearning Course

This course introduces basic navigation and functionality features of the PSR system and the roles of system users, such as event reporters, event handlers and investigators. The course can be accessed through MHS Learn.

[Register now](#)

On-Demand eLearning: Patient Safety Reporting: Intermediate Course*

Targeted to Patient Safety Managers and other Military Treatment Facility (MTF) staff already familiar with basic functionalities of the Patient Safety Reporting System, this course is designed to help learners hone the decision-making skills needed to effectively manage patient safety event data in PSR, as part of the ongoing effort to eliminate preventable harm at MTFs.

PATIENT SAFETY LEARNING CIRCLES

In-person or web-based forums focused on a specific topic

TeamSTEPPS® Webinar – Agency for Healthcare Research and Quality (AHRQ)

Please check our [Calendar of Events](#) for updates on this webinar.

Professional Learning Series: Taking Action to Combat Antibiotic Resistance and Improve Antibiotic Use – National Patient Safety Foundation (NPSF)**

Nov. 14, 2016 from 1:00 to 2:00 PM (ET)

This NPSF webinar will:

- Review justification for the pharmacist to be part of the team
- Explain the role of the pharmacist in antimicrobial stewardship
- Describe how antimicrobial stewardship leads to better patient outcomes
- Explain what patients should expect and questions to ask about antibiotics

Speakers include Dr. Deborah Pasko of the American Society of Health-System Pharmacists and Dr. Arjun Srinivasan from the Centers for Disease Control and Prevention.

Patient Safety Program

LEARNING UPDATE

A Summary of Patient Safety Learning Activities

Managing 10,000 Medications: A Prescription for Safety – ECRI Institute

Nov. 17, 2016 from 1:00 to 2:00 PM (ET)

This webinar will review the steps in the medication management process and discuss how medications may cause harm when not administered, prescribed and monitored correctly. Participants will learn about available error-reduction strategies and their effectiveness in decreasing and preventing medication errors.

This session will be led by Pat Stahura, a registered nurse and patient safety analyst/consultant with the ECRI Institute. For more information on registering for this webinar, please email TQMC@ECRI.org.

The Overlap between Organizational Contributions to Burnout and Workplace Violence – National Patient Safety Foundation (NPSF)**

Dec. 7, 2016 from 2:00 to 3:00 PM (ET)

This webinar will explore the effects of burnout and workplace violence on health care workers.

Dr. Michael Privitera of the University of Rochester Medical Center will offer recommendations for leadership and management style interventions to implement a strategy to prevent workplace violence while preventing burnout.

Note: Cost is \$99, however, Stand Up for Patient Safety member organizations receive complimentary registration for an unlimited number of participants, but those seeking continuing education must register individually.

[Learn more and register here.](#)

** Denotes that activity is eligible for Continuing Education (CE) credit. All CE credits are managed by the Postgraduate Institute for Medicine (PIM).*

*** Did you know? As an NPSF Stand Up for Patient Safety member, DoD PSP receives complimentary access to webinars as a benefit of program membership. Check with your facility POC for more information.*

Don't wait to register for other PSP activities!
