

EIRB User Community

On Monday, April 25th 2016 at 1200 ET, the Electronic Institutional Review Board (EIRB) system will go on-line. The EIRB Team is currently working on a technical issue and asks that users test their access to the system. This test will require users to log in and log out after you have successfully accessed the application.

To access the system, please go to <https://dmrncac.dhhq.health.mil>. Please note an active DoD Common Access Card (CAC) is required to log in to EIRB.

For information regarding system access and general troubleshooting details, refer to the EIRB FAQ – System Access.pdf, EIRB Quick Reference – System Access.pdf located in this package.

For problems with accessing the system or authentication issues, please contact the DHA Global Service Center at **800-600-9332**.

Welcome to EIRB!
