

The seal of the Defense Health Board is a circular emblem. It features a central figure of a person, likely a medical professional or soldier, in a dark silhouette. Behind this figure is a light blue globe. The entire scene is set within a circular border. The top half of the border contains the word "DEFENSE" in white, serif, uppercase letters. The bottom half contains the words "HEALTH BOARD" in the same style. Two small white stars are positioned on the left and right sides of the border, separating the top and bottom text.
