

National Museum of Health and Medicine

Otis Historical Archives

OHA 51.05

Museum Records: Exhibit Division Records, Carey

Date of Records: 1994-2000

Size: 3 boxes

Finding Aid: By Eric W. Boyle (2012)

Access and Use: The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Some of the records may contain restricted material. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted.

Series/Scope and Content Note: This collection is made up of office files from Sarah Carey and deals primarily with exhibits and facility issues. There is some overlap between the materials in this collection and OHA 51 and OHA 51.03.

SERIES 001: EXHIBIT RECORDS—CAREY

This series includes internal correspondence, materials on exhibit development and revisions, NMHM press coverage, and ephemera. Also includes background research on anatomical exhibits, HIV/AIDS, and institutional history.

SERIES 002: EXHIBIT ADMINISTRATION—CAREY

This series includes museum meeting and policy information and exhibit administration materials.

SERIES 003: FACILITIES MANAGEMENT—CAREY

This series includes facilities management documents along with coverage of the AFIP strategic planning process.
