Check eligibility and learn more at [Health.mil/AHBurnPitRegistry](https://health.mil/AHBurnPitRegistry)

Were you deployed in the Southwest Asia theater of operations or Egypt on or after August 2, 1990, or in Afghanistan, Djibouti, Syria, or Uzbekistan on or after September 11, 2001? You may be eligible to participate in the Airborne Hazards and Open Burn Pit Registry.

Why Register?

- Document your possible exposures and proactively identify potential health concerns
- Participate in a recommended medical evaluation to discuss exposures with a health care provider
- Support ongoing research and inform future decisions around airborne hazards to keep service members and veterans healthy and safe
